

# Flower Photography Workshops

## Course of events

We meet in front of the main gate of the "[Palmengarten](#)" at the planned start time of the event. I will then keep your Palmengarten admission ticket\* ready for you there, so that a long queue is not necessary. The admission ticket cannot be refunded if you arrive too late. Various aspects of photocomposition and photography, especially for close-ups of flowers, will be discussed.

## Skill level

All events are open to all photographers who are interested in expanding their photography skills.

## Camera required

Best a system- or mirrored reflex camera with interchangeable lenses where the ISO, aperture and shutter speed can be set manually (if you have a camera manual, please bring it with you).

## Meeting point

Palmengarten main entrance, Siesmayerstraße 63, 60323 Frankfurt am Main

## \*Palmengarten Admission

Admission to the Frankfurt Palmengarten is included in the price of the workshop.
