

# Zoo Photography Workshops

## Course of events

We meet in front of the main gate at the [Zoo Frankfurt](#) and enter the zoo together at the planned start time of the designated event. Try to arrive at least 15 minutes before the workshop begins. Your Zoo admission ticket\* will be purchased prior to the scheduled event to prevent long waiting times. The ticket cannot be refunded if you are late. Various aspects of photo composition and photography, especially for zoo photography, will be discussed.

## Skill level

All events are open to all photographers who are interested in expanding their photography skills.

## Camera required

Best is a system or SLR camera with interchangeable lenses, where ISO, aperture and shutter speed can be set manually (if you have a camera manual, please bring it with you).

## Meeting point

Main entrance of the Zoo Frankfurt, Bernhard-Grzimek-Allee 1, 60316 Frankfurt

## \*Zoo Admission

Admission to the Frankfurt Zoo is included in the price of the workshop.
